(425) 268-5553
(360) 244-8664

Salish Land Policy Solutions is a Bellingham consulting firm promoting informed public policy discourse in the northern counties of Washington State. Based on a preliminary review of the Gateway Pacific Terminal, it appears a number of questions are left unanswered by the current review process by federal, state and local agencies.

In the spirit of assisting the participating agencies to take a look at all relevant impacts, we offer the attached list of questions and information in Appendices A - E.
